About the College

Government Degree College Doda, a premier degree college in the Lap of Chenab Valley region of District Doda was established in 1989. The college is located on the right bank of the mighty river Chenab. The College offers - B.A., B.Com, B.Sc. and BCA courses with a dedicated staff of 47 teachers, including Guest Faculty and a healthy teacher-student ratio. All the classrooms are ICT enabled. In addition, college runs distance mode courses in various subjects via IGNOU, MANUU, and DDE. The myriad web of student community – 1263 students reflect its motto in practice. Also college has got the honor of organizing international and national conferences in different disciplines in the past and FDP recently in May 2022. Various tournaments in different games and sports have also been organized. Many students have represented the college at various national and UT levels in various fields.

About the Department

Department of Zoology Govt. Degree College Doda was established in the year of 2001 with meager student strength and least facilities. With time, the management of the college took steps to cater the basic needs of the department in terms of faculty, laboratory, classrooms, necessary equipment etc. The department today has exceptionally got the honor of having water testing lab and research lab in addition to the conventional labs. Worth mentioning here is that besides the conventional courses the department is running UGC-NSQF approved skill courses of Dairy Farming, Poultry Farming & Apiculture. The Department is also working on the research project being approved by JK Science & Technology, Govt. of Jammu & Kashmir. The faculty of department has contributed in the field of research by publication research papers in national and international journals and has many awards in their credit. The well qualified staff of the department, comparatively better infrastructure and other facilities makes it one of the best departments in any College.
