OUTREACH

Display admission counselling banners prominently. Spread awareness in local areas and social media. Highlight the centers on your college website's main page. Reach out to all the higher secondary schools of the district without limiting it to the catchment area.

COUNSELLING

Aspirants should be actively counseled on understanding the centralised CUET / NON_CUET allotment process, FEE submission, Major subject offerings in college, features of NEP 2020, career options etc. The counselling should be conducted in a manner that encourages a student to evaluate various programs on offer and decide independently the programs of their choice.

TECHNICAL ASSISTANCE

Aspirants must be advised to submit applications using their own devices or use the facilities provided by the college facilitation centers to submit accurate and well considered preferences that align with their aspirations.
