

NSS unit of GDC Doda observed NSS foundation day today on 24th September 2017 under the supervision of Principal GDC Doda Dr Shafqat Hussain Rafiqi. The event was celebrated in two phases. In the first phase watering of trees was done in which students under the guidance of NSS programme officer Prof Bashir Ahmed watered around 50 trees. In the second phase cleanliness drive was carried out in the entire college campus. NSS volunteers cleaned all the drains and lawns of the college with great zeal and enthusiasm. They further cleaned various class rooms and laboratories of the college. After the culmination of the activities Dr Rafiqi congratulated the programme officer and the volunteers. He stressed upon the students to work for social causes and aware the general public about hygiene and it's importance. The principal further gave directions to the programme officer to conduct field tours and organise village adoption camps. At the end of the event refreshment was distributed among the volunteers. Other staff members who took active part in the programme were Prof Ajay and Dr Sarvjeet.
